### Quick Quotes

**Q. What part of your game do you think you've been really working on coming up to this event?**

IN GEE CHUN: Yesterday I said I would be patient because after three weeks off. This week I try just enjoy my play, enjoy to see all my friend on the tour. That makes me happy. Then look forward to play on the course.

**Q. What's your goal going into the weekend?**

IN GEE CHUN: I really want to try to make bogey-free round next two days. I will try.

**Q. Last question is: What do you think would be a really good final pairing? Who do you want to play with on Sunday?**

IN GEE CHUN: You know, even if I play with my best friend it's really good, but if I play with new people then I have a chance to get to know the person. So I really enjoy to play with anyone. Yeah.
