## Jessica Korda

### Quick Quotes

**Q. Jessica, happy birthday. How does it feel after your birthday that you're still in contention?**

JESSICA KORDA: I'm in contention? Feels fine. We'll see what it looks like at the end of the day.

**Q. What are what are birthday plans?**

JESSICA KORDA: Nothing. We're at tournament. We can't do anything.

**Q. Did you wake up to a lot of happy text messages and such?**

JESSICA KORDA: I did, I did. I have some really great friends. My cousin called me as soon as my alarm clock went off because I responded to her message. She was like, I've been waiting. I wanted to catch you before your round. I am going to go call my grandparents here after.

**Q. Last time you won it was your dad's birthday. How cool would it be to win this week and it be your birthday?**

JESSICA KORDA: It would be really nice. I unfortunately bogeyed the last hole, which sucks, but my sister is in contention at the top, so a win for her would be a win for me as well. I'll definitely be chasing tomorrow.
