Q. Chella, what a great third round here at Lake Nona. How do you feel after your third round with such a strong front nine?

CHELLA CHOI: I play really good front nine, (indiscernible) front nine. But I feel very good and I focus on this game very well today. But I know back nine is little tough for me, but I have one more round so I trying to keep going.

Q. And your dad is on the bag. How much support do you get from your dad?

CHELLA CHOI: I work really hard last winter training, work with my dad, so he know how I fix my swing and how do I practice. So he did a lot of the good advice for me, so it's very comfortable work with my dad.

Q. Last question: Tomorrow what's your goal?

CHELLA CHOI: I want to focus on my game 1st hole through 18 hole, so I trying to enjoy play with my dad, so, yeah.
