### Quick Quotes

**Q. All right, here with Yuka Saso. Yuka, talk me through the second day here. Conditions seemed to be different than yesterday.**

YUKA SASO: It was more stable than yesterday I guess. I didn't hit good tee shots and second shot on the last nine, but the short game helped me a lot and obviously my putting, too.

So hopefully I can keep this up and play better tomorrow.

**Q. What do you like most about this course? I know we talked a little bit about it yesterday, but that kind of style, do you think that changed today with some of these conditions?**

**Q. One more thing before we close. We did have a question come in from someone. What are some the**

**New Year's resolutions you made for yourself this year?**

YUKA SASO: Well, I'm already happy that I'm able to play here in LPGA, so make a lot of cuts and play all the majors.
