### Quick Quotes

## HSBC Women's World Championship

**Q. 2-under today. Just talk about what went well today for you.**

HYE JIN CHOI: It was a really tough day. It was a little bit tricky. I had a lot of, like, make for par, and then have some good shots with tough holes. Make a lot of bogey, and I make par on the 18th. So it's my best, I think.

**Q. What do you think made the course so tough today? We haven't seen a lot of low scores. So I guess from your perspective, why you think it's been tough today.**

HYE JIN CHOI: It was a little bit of windy today, and then greens were difficult because some pin was really different. That's why I think was hard today.

**Q. I think this must have been one of the few times where you have -- you are among one of the leaders of the top players after the first round. How does that make you feel?**

HYE JIN CHOI: I feel more comfortable when I finish inside top 10. But yeah, it was same as last week. So normally hit it, play well on hard course. I want to try once more to finish well.
