## A Lim Kim

### Quick Quotes

**Q. Leader in the clubhouse, another great day. Can you talk about your day?**

A LIM KIM: Today still my shot is good and putting is good but still green read is hard for me, and then a lot of swirling wind, gust a lot. Tricky days.

**Q. Are there any holes out there that you think the wind affects more?**

A LIM KIM: It's swirling a lot because the course shape -- I'm not ai, so I control me and just keep choice and do that.

**Q. You mentioned the green reading was hard for you. Is there a reason why? Is there something about the greens that you think makes it harder?**

A LIM KIM: This course, grain is very strong and then slope still, too. So we calculate slope and grain, it is more tricky.

So everybody is in the same situation, so keep working hard.

**Q. Were there any missed birdie opportunities?**

A LIM KIM: Some really great shot, and then really good putt, that's all.

**Q. Today the leaderboard is quite tight. Were you paying any attention? Did you realize how close everybody was?**

A LIM KIM: I always talk about that, result is not my goal. Keep working on my process.

**Q. Is this always the mindset that you've had, or is it something that you've kind of changed along the way?**

A LIM KIM: Always the same thing. Because, you know, I know already in my control, so trust on my line and hit it. That is in my control.

A LIM KIM: Yeah, my feeling is good. And then getting familiar. So keep working on it.

**Q. I was going to ask you, you almost made a hole-in-one today. Did you see the shot come near the hole? Did you think it was going to go in?**

A LIM KIM: No, I think I was just short of the pin but it kept rolling. I didn't see my ball. But somebody told me. Still a great shot.

**Q. I don't know if you got excited seeing it.**

A LIM KIM: My plan is five yards short of the pin but that is lucky.
