Quick Quotes

HSBC Women's World Championship

Q. Can you just talk about your day and how it went for you?

PAJAREE ANANNARUKARN: It's been fun out there, fun in the heat. It's nice to obviously pull off some good golf and some not so good but still managed to enjoy it out.

Q. How do you think you stayed patient?

PAJAREE ANANNARUKARN: I think staying patient is key. Just because the weather, and this is the second week, and we've been just traveling overseas, it can be a little bit tiring. I think just a lot of good rest and good mindset, and prepare well.

Q. You're moving up the leaderboard. Were you looking at it out there?

PAJAREE ANANNARUKARN: Yeah, I try to just focus on my game to be honest. I try not to but I've seep a few and I think a lot girls out here are playing so good today. It's nice to be in contention and do my best out there and just keep it up.

Q. Did the heat bother you?

PAJAREE ANANNARUKARN: Not really. A little bit. I was going to lie if I said not really, right, but I was born like, tropical girl. I'm more used to the heat. It's fun. I just like playing in the warm weather.

Q. What's the mindset for tomorrow?

PAJAREE ANANNARUKARN: Again, I try to keep the momentum going. I really like how my game is moving forward right now, so hopefully will keep the good feelings and good mindset moving.
