HSBC Women's World Championship

Q. Second, it looks like right now. Talk about what it was like for you today moving up the leaderboard.

AYAKA FURUE: Today I had very good shots. I've been struggling with the back nine the last three days. I was happy to have back-to-back birdies on 15 and 16 today.

Q. This is your first top 10 of the 2025 season, first top five it looks like, too. Just talk about what it's like to see your hard work pay off this year already.

AYAKA FURUE: Yeah, I'm very happy with this outcome because this year, I'm not playing well until this tournament. So I'm very happy with that.

Q. And what kind of takeaways are you going to take from this event moving forward to the rest of the season?

AYAKA FURUE: Yeah, I was really confident in my shots today. That was really helpful for me today.

Q. What did you like most about this golf course?

AYAKA FURUE: I like it.
