Quick Quotes

Q. Here now with Jasmine Suwannapura after her conclusion of the Fir Hills Seri Pak Championship. Just take us through the week and what were some of the highlights out there.

JASMINE SUWANNAPURA: Tough. Very tough. This week will be like a very, very challenging week for me, mentally and everything because I mean, it can't expect anything today at all or the whole week because the wind condition, the golf course, nothing set up easy at all this week.

Q. So what does that say about your game that it was a very challenging week, the course layout and everything, but you're still going to end up probably with a top 10 finish? What does that say about whether your game, mental resilience or anything like that?

JASMINE SUWANNAPURA: I just think that I was sticking to my game plan, and even though it's so windy, I just tried to find a spot to go and stick to my plan even though there is a lot of the question mark in the air where the wind is going to take it or not.

But there is a lot of commitment this week for sure.

Q. Take us through the eagle on 16 here, the par-5. What went into that? Walk us through that.

JASMINE SUWANNAPURA: I hit a really good drive surprisingly. I mean, I probably have 150 front, 168 pin, which kid you not, I play 140 yard with my 8-iron going in there, and was thinking, be maybe it's just going to be a little short, but ended up hitting to the pin and I saw it spun, stay on the green. That putt still not the easiest putt, and then just make eagle. Yeah, it was great.

Q. I think five starts so far this season, two top 10 finishes. What about your game is feeling good right now and what are some things you have to work on as

we head further into the season?

JASMINE SUWANNAPURA: I think I'm going to stick with what I have at the moment, really commit to my shots. I actually change my iron this week to Titleist, so it's really like I got the iron this week, practice on Tuesday, and then that was it.

I mean, hit like quite a bit of balls on TrackMan and got a good numbers and spin, so it's a really good change week.

Q. And then last one: What will you take away from this week as you head into the rest of the season?

JASMINE SUWANNAPURA: I think just, you know, don't expect anything out here. Golf can be -- I make double today, I make eagle today, and it's just funny.

Don't give up. Just do your best on each shot basically.
