Quick Quotes

Q. Here with Jiyai Shin after her four rounds at the Fir Hills Seri Pak Championship. Just take us through the week. What were some of the highlights out there?

JIYAI SHIN: Well, the biggest thing is good crowd here, and then so I really try to make a good playing.

But, well, it wasn't easy today, but I'm still enjoying my playing with my fans.

Q. What did you make of the Palos Verdes Golf Club? What were some of the ways the course maybe suited your game and what were some of the ways it was a little more tricky for you?

JIYAI SHIN: Well, you know, this course is -- they have a very -- lots of (indiscernible) holes and then you can see the very tiny greens so we need a very concentration with the shots.

So that's why I -- maybe I have a chance to playing, -- maybe I have a chance to win, but wind doesn't help today. Make it so hard.

But, you know, this is golf.

And then, you know, still in March. We have still a lot of tournaments, so I have a great experience about today, so definitely that will help for my next golf.

Q. And then last one: It seems like every time we see you out on the LPGA your finishing in the Top 5. What is it about playing on tour that brings out a little bit the best of your game?

JIYAI SHIN: You know what? Yesterday after finish the round I got a lot of message, so many people say are you back, are you back to U.S.?

I'm so thankful for the people say they miss me. And, well, but when I playing in Japan, in Asia, my life balance much

easier. That's why I playing so well still now.

So I just -- well, I love golf, but I try to make to keep balance with my life.
