Quick Quotes

ARIYA JUTANUGARN: (In progress) ...good commitment and I hit very good shot for tee shot and second shot to the green.

Q. It was nearly an eagle opportunity but a birdie. How hard was it to sit and wait?

ARIYA JUTANUGARN: It was pretty tough because especially they stop playing; just my momentum is kind of like I want to know the result, so it's pretty tough.

Q. We saw that you didn't watch what Atthaya was doing on the final hole. You were just hoping to hear the cheer from the crowd. You had your sister with you. What was Mo saying to you?

ARIYA JUTANUGARN: Basically I kept telling her I think I'm going to playoff. She say no matter, I'm always proud of you. I really want to watch how she play on the last hole but my caddie stop me by doing that, so I didn't watch anybody play on last hole.

Q. How proud are you to be the first Thai champion of the Honda LPGA Thailand?

ARIYA JUTANUGARN: I will say I been waiting for so long, so finally I got it, so I'm very proud of myself and just always very happy to be here.
