Quick Quotes

Q. First round 65 today. Good way to start the tournament. You survived.

JENNIFER KUPCHO: Yeah.

Q. How are feeling about your round?

JENNIFER KUPCHO: Believe pretty good. It was nice getting to play with Sarah. In our twosome earlier in the morning we both started off really hot and I think we both were kind of challenging each other, and I think that helped both of us.

Q. Your first time here, correct?

JENNIFER KUPCHO: Yes.

Q. What do you think about this golf course?

JENNIFER KUPCHO: It sets up really well. It's definitely really scorable when the pins aren't super tucked. I think once we start putting them in the back of the green they might be a little bit less scorable.

But it's a really fun golf course to play.

Q. And is this your first time over here on the Asia swing entirely?

JENNIFER KUPCHO: This front end. The back end I've been before.

Q. What did you think about Singapore and then this week? It's very different to the fall swing.

JENNIFER KUPCHO: For sure. I mean, they're both completely different from each other. Both very hot. I think that's the biggest thing.

Yeah.

Q. How do you survive with the heat? It's just hard to think about.

JENNIFER KUPCHO: Yeah, try not though think about it too much, drink a lot of water, use an umbrella. I mean, we've played in hot places before, but this definitely is

another level.

Q. And then last question. Congrats on the wedding for one thing.

JENNIFER KUPCHO: Thank you.

Q. You've got Jay on the bag. Is this like a little honeymoon or how is that going?

JENNIFER KUPCHO: Yeah, it's good. Yeah, we get along really well obviously. I don't think we could do it all the time. We would probably yank each other. Yeah, it's fun to have hmm on bag every once in a while.

Q. And during these weeks so you can be together over here, right?

JENNIFER KUPCHO: Exactly, yeah.
