Quick Quotes

Q. So overall just your quick thoughts on the week.

BROOKE HENDERSON: Yeah, it was a good finish. I felt like I've been playing really well, which is a really good feeling, especially after last year wasn't my best year.

So to come out this year so strong I'm definitely happy and proud of that. I feel like I'm inching my way closer every week to getting a little bit more comfortable and just enjoying those final groups as much as I have been.

It's just so fun, so exciting to be in them. I just look forward to when I have my opportunity to win.

Q. What's your biggest takeaway from the way you played this week?

BROOKE HENDERSON: You know, I think just shooting low numbers. Like this week everybody was going low and just to keep up you needed to make like six, eight birdies every day.

So I love making birdies and I love chasing and that attack mentality. It was kind of fun to be back in that again.

Q. What are your travel plans from here with the off week?

BROOKE HENDERSON: Heading back to Florida and going to a wedding in Texas before going to Carlsbad. So a little bit of stops on the way, but excited to go back to sleep in my own bed for a few days and excited to get ready for Carlsbad, but also the major the following week.
