Quick Quotes

Q. I know that was kind of a frustrating day for you out there. Ground it out. Just how you feeling about that round?

NELLY KORDA: Yeah, very frustrating. Obviously the back is not really how you want to finish. When I bounce back I seem to make a bogey right away, then didn't really take advantage of 18.

Overall, still shot under par, and hopefully I can get a solid one tomorrow.

Q. What's that tell you about the state of your game that you fought that hard and still round a round in the 60s?

NELLY KORDA: Good and bad. The bad was very bad today and then the good was pretty good, so I had a nice combo of both.

Q. Mindset heading into tomorrow?

NELLY KORDA: Just trying to make as many birdies as possible. She's pretty far ahead. It would take a very, very low one to probably catch her, but I think it's supposed to be windy tomorrow, so never say never.
