## Lydia Ko

### Quick Quotes

#### **Q. Just evaluate your week.**

LYDIA KO: I played really solid. I didn't putt as well as I did last week and I think that was kind of like the biggest difference.

Other than that, I played well. I think it's a top 10 finish, so good start to the LPGA season.

#### **Q. And from this first start, what will you carry with you to Singapore?**

LYDIA KO: Yeah, just carry on the positives. I feel like there is -- I'm off to a good momentum to start my season, so focus on the goods. Every day is a new day. You feel like you have it all right the first day and the second day might not feel as good.

So just take it one round at a time just enjoy being out here in Asia.
