Quick Quotes

Q. All right, being able to birdie the first two was nice. Overall how do you walk away from this final event here in Thailand?

BROOKE HENDERSON: Yeah, really good start today. Felt good to be in the mix early. You know, trying to chase down the leaders was a lot of fun. A little disappointed with how I finished, bogey on 17 and par on 18.

Overall it was a great week. Hopefully hang on to the top 10 and just bring in some momentum going into Singapore, which I love that event, too. Should be fun.

Q. What do you like most about returning to Singapore and these Asia Swing events? You seem to like them and do well at the beginning of the year.

BROOKE HENDERSON: I love them. Just great energy and atmosphere, and the experiences, being here in Thailand and going to dinner with our Thai friends and just really trying to soak in the different cultures and experiences that these events bring.

Like tomorrow night we're going to have chilli crab in Singapore. I love competing and trying to get off to good starts.
