Quick Quotes

Q. Okay, here with Nanna. A solid round to start this event. Obviously familiar with this event. Just talk about what it's like to be back here this year.

NANNA KOERSTZ MADSEN: It's always great to be back here. Brings a lot of good memories. I like the course. I think it's in amazing condition this year.

But, yeah it's just always great to come back.

Q. I've had a lot of players say it's been in great condition. What is it about it in particular that's standing out?

NANNA KOERSTZ MADSEN: The greens are so true. It's a little firmer than they have been the last couple years, but I like that. Fairways are really pure; especially the greens are really amazing.

Q. When you're back here do some of those memories come back to you of your win?

NANNA KOERSTZ MADSEN: Oh, yeah. You're like talking about a shot and what did I do there, so there is a lot of good memories that come up in mind throughout the week.

Q. Anything in particular, memory that sticks out to you about that week that you always remember?

NANNA KOERSTZ MADSEN: Yeah. My final hole when I hit it into the grandstand. I'm always like, why did it go in there, trying to justify why it went there. Then again, I had the amazing shot in the playoff and I remember that one, too.

Q. Talking about the round today, what stuck out in your game do you feel like today?

NANNA KOERSTZ MADSEN: I played really well. I had a lot of good shots. Missed couple small putts here and there, but overall really good, solid round.

Q. Awesome. Just wanted to ask you about Nicole. She's just left for maternity leave. What's it been like to grow up and play professional golf with her and see her in this new journey?

NANNA KOERSTZ MADSEN: I mean, I don't know, it's hard to describe because I'm going to miss her so much out here. We travel every week together. I mean, I wish her all the best with the baby, and she's going to be an amazing mom. Obviously I'm going to miss her out here.

I do hope she will be back. Yeah, it's so nice having a really good, close friend being able to travel -- we been traveling total for ten years now.

Yeah, but all the best for Nicole.
