Gianna Clemente

Quick Quotes

Q. Okay, here with Gianna, one of two amateurs in the field this week. Two rounds of play under your belt. Talk about these past two days and what's it's been like.

GIANNA CLEMENTE: Yeah, yesterday was a bit rough. Just didn't make as many putts as I wanted to. I missed couple really important putts yesterday, so I spent quite a lot of time on the putting green yesterday, so I got something figured out.

I had 24 putts today, so, yeah, I just kind of got the putts rolling really early. Yeah, it was just easy out from there.

Q. What did you look at with your putting yesterday after the round that really helped?

GIANNA CLEMENTE: There is a couple things in my putting stroke that I kind of revert back to, couple issues that I've had in the past. When I don't do as much work on the putting green during tournament prep those issues revert back to the way they were.

Yeah, had to look back at the fundamentals, and I got everything fixed today, thank God.

Q. Some of these greens definitely look very undulating. I didn't know if it was about strategy or anything like that.

GIANNA CLEMENTE: No. Just stroke.

Q. Gotcha. Yesterday you played with a past champion of this event; then today you obviously had great playing partners as well. Anything you kind of picked up watching them or enjoyed about playing within anyone in your group?

GIANNA CLEMENTE: Yeah, I kind of grew up with Alexa so to be able to play with her, I haven't played with her in so long. Yeah, it's always great playing with her. We had a lot of fun out there today and always cheering each other on even from different tours.
