Quick Quotes

Q. Okay, here with Chanettee after the second round today. Talk about what went well for you out there.

CHANETTEE WANNASAEN: So today actually I play really good on the front nine, same as yesterday, but on the back nine it just only hole No. 18. The first shot is perfect; the second shot is not that bad but it's not good enough.

Because like, you know, on the right side it's more tough than the left side and I hit third shot a little bit short and then the ball is go down. Approach shot I feel really bad because the ball in the divot.

So I don't know, maybe should play pitch shot or like run it up. I chose run, but it's not work.

Yeah, so, yeah, I feel bad because it's last hole, but that's all right.

Q. And talk about that front nine that you played super well on the past two days. Are there certain holes on the front nine that you really like?

CHANETTEE WANNASAEN: No. (Laughter.)

But like, you know, yesterday and today the game plan is the same, so I hit close to the pin and make birdie. That's why I can make front nine better than back nine. Back nine I miss a lot of birdie.

Q. And what's it like to be back playing in Thailand again? You said you've been home for a couple months now. What's it like to play out here in a tournament?

CHANETTEE WANNASAEN: It's hot. The weather is always hot. Like I play in Honda LPGA is very nice fifth time already. Every year is hot. Hot every year.

But I feel good because I'm play in my country and it is hard to find a moment I play in front of my family.

Q. You've been on the Tour a couple years now; had a win both years. What have you enjoyed most about playing on the LPGA Tour?

CHANETTEE WANNASAEN: So LPGA, I really like LPGA Tour because like you know they -- we have a lot of foreigner player around the world playing LPGA, so everyone have like the good player.

Because I love to play with the great player, because like I want to improve my game plan and improve my mental, so that's why I'm still enjoy and love to play in LPGA Tour.
