Siam Country Club Pattaya, Old Course

## Jeeno Thitikul

### Quick Quotes

**Q. Okay, here with Jeeno after the third round. Just talk about today.**

JEENO THITIKUL: Well, had a good round, but not the best, to be honest, because didn't have the putt drop much.

But still, that's what -- but, I mean, the approaching shot is not like the best compared to yesterday; that's why we couldn't make that much like yesterday.

But oh, well. It's good. No bogey.

**Q. I was going to say, bogey-free still; consistent. Had that birdie on the last with a lot of cheers. What did that last birdie mean to you?**

JEENO THITIKUL: It's mean a lot. I think everyone is waiting at the last hole, last group. I think they love to see us had a birdies and cheering on because I think they have been waiting from No. 8 to now.

**Q. I asked both your playing partners what it was like to be in front of this many fans, and they both said it was because of you. What does that mean to see this many people? This is a large gallery out here today.**

JEENO THITIKUL: I think it's mean a lot to us and I think also the Tour as well. You know, like can see women's golf in Thailand is getting better, better, and then bigger as well. That's why they're here for us. That's why like the -- like the eyes on us, which mean like women's golf, you know, grow better.

**Q. There has been a lot of girls that looked up to you, especially with your rise in the past couple years. What does it mean to be that model almost?**

JEENO THITIKUL: Yeah, saw a lot of the kids here, and then just really trying to inspiring them to, you know, one day -- I used to be that. I used to be standing outside the rope and watching all the LPGA players doing the things inside.

I'm here; it's like a dream come true. I think they see and then they have like more motivation to be good, to be like

here, which is really, you know, what we -- what golf and what we did for.

**Q. Last question: You're quite on a streak of golf. You've been in this position before. Just any thoughts heading into tomorrow's round and how you'll reset and get ready?**

JEENO THITIKUL: Actually just survive on this weather, but still I think still had a chance. Just be aggressive and then having fun out there last 18 hole in my home country.
