Quick Quotes

Q. Okay, here with Patty after the conclusion of this week. Talk about what this week has meant to you.

PATTY TAVATANAKIT: Yeah, means a lot to play in front of my friends and family and Thai fans. This is an event where inspires a lot of Thai young players, including myself when I was younger.

So to come back, defend, and to finish in the top 5 was an amazing feeling.

Q. Yeah, I was going to ask about the golf today, too. Finishing in the top 5, good push to get up the leaderboard. Just talk about today for you. Were you aware of where you were at?

PATTY TAVATANAKIT: Not really. I just really enjoyed having my friend on the bag and just kept the momentum going, kept hitting good shots. My putter felt really good this weekend and a lot of putts dropped.

Q. Talk about what's next for you.

PATTY TAVATANAKIT: I have a month off just to get my body right for this upcoming season. This is more like a pre-season for me, first three events.

Yeah, a lot of good stuff, a lot of positive things to take away from. There are also some things I want to work on as well, and I'm going to go and get my body right.

Q. Assuming next you'll head to sign some autographs, but you signed a lot this week. What's it like especially with the kiddos here supporting you?

PATTY TAVATANAKIT: It's nice. I try to like give them attention, shake their hands, give them high fives, because like I was one of them before. It's so great to see all the young kids come and get inspired this week.
