## Jeeno Thitikul

### Quick Quotes

**Q. Okay, here with Jeeno Thitikul. Final wrap of the Honda LPGA Thailand. Just describe this week.**

JEENO THITIKUL: Well, it's a good week, to be honest. Really nice to finishing on Top 3 and then my home country, also my birthday week.

**Q. Continuing your streak of Top 10 finishes. Just an amazing stretch of golf. Can you put into words what you've been doing?**

JEENO THITIKUL: Well, let's say process. Process. Everything is about process, and then if it's good, it's good. If it's not good, just take it. It's just life. You can't be good all the day and then you can't be bad all week long.

**Q. A lot of cheers we heard up here from the fans and the gallery. They're obviously all waiting for you to sign their things. Talk a little bit about that.**

JEENO THITIKUL: Well, I just say thank you. Like I said, thank you for always came here to support. Thank you for sharing. Thank you for waiting for the sign and thank you for supporting us, not just this week, but all year long.

**Q. Going back to what you said about your process, during this stretch of golf you've had what is the process? Is there something you've really been doing this stretch that you think has really helped?**

JEENO THITIKUL: Well, we always been doing, you know, like on the swing as well, and then I think everything is just process, to be honest. It doesn't have to be like specifically like things to do but everything that we do we're trying to improve ourself.

**Q. And then what does this do moving forward for you as well? Great past two weeks of golf.**

JEENO THITIKUL: Yeah, just keep the momentum going and then we'll see how this year holds for us.
