Q. Okay, here with Narin after the first round the T-Mobile Match Play. Can you just talk about your round today, especially I believe you won three holes at the end there to wrap up the match. Can you talk about it?

NARIN AN: 1 through 3 you mean?

Q. Let me double check here. You won three of the last four holes, so 13, 14, and 16 it looks like. Do you remember that?

NARIN AN: Yeah.

Q. You won those holes to finish up the match. Can you talk about those last couple holes?

NARIN AN: I think hit it like right place for like missing, so I can recovery from there.

So that's why I made it.

Q. Nice. Can you talk about coming back here. You advanced to match play last year and played until the semifinals. Can you talk about coming back here and the good memories you have at this course?

NARIN AN: Like here is really good course to play, and then I thought it's supposed to be like not like this much windy in the morning, but it's about the same as last year.

So I was focused on my play like, oh, just hit it on my line. I think some hole I did it; some hole I didn't, I couldn't.

So like I'm going to go like practicing a little bit after this.

Q. And what do you remember most about playing here last year? Do you remember those matches toward the end?

NARIN AN: Especially on first round on Saturday I think. Yeah, was the like really like hard for me.
