JEENO THITIKUL: I have no idea. Just trying to hit where my caddie want me to go and then I knew it's going to be a tough day. Like early morning, it's cold, it's windy, but I just keep patient.

And then I think it's my iron shots work really good today.

Q. How were you plotting your way around this course? Eagle on 9. What is it about this course that you're able to take advantage of to have the scores you're having?

JEENO THITIKUL: I think it's really depend on yardage, because like if you hit a really good shots but like your yardage is good it can be like really close. If it's like a little too long or a little too short can be like worst shot. Can be a hard up and down. Today the yardage was so perfect this morning.

Q. Got a couple hours before you're off in the quarterfinals. What will you do to stay warm and ready?

JEENO THITIKUL: Hang out with Ronni. She walk with me for the front nine. I was like oh, you're my lucky charms today. Yeah, basically got that good energy, good vibes around. Just eat and hang out. I don't know, it's just 18 more holes to go.
