Quick Quotes

Q. Here with Madelene Sagstrom after her round of 16 match. Took a couple extra holes to get it done. Take us through the day.

MADELENE SAGSTROM: No, it was good. Well, I started off with some solid pars in the beginning, and then Carlota got on a birdie train in the middle and then I started playing really well too. It just ended up being a really good match. I think we both played really well. She hit some really lovely shots and so did I.

She is such a good match player, so you know you cannot let anything go. You have to keep grinding all day.

Q. We talked yesterday about how you guys used to be teammates. How was it going up against her as an opponent this time?

MADELENE SAGSTROM: Well, I think too, we both know match play. There is nothing personal about it. It's just about going out there and trying to hit the shots and pull it off. I mean, that's kind of what you're trying to do.

If she would've won or if I would've I won, it's not like you go out there and play good golf you deserve to win. We both played solid and I just little bit longer in the end.
