## Madelene Sagstrom

Quick Quotes - QF

**Q. Took two days, 19 holes to get it done; on the semifinals. Take us through stopping yesterday into this morning.**

MADELENE SAGSTROM: I mean, obviously we probably would've liked to finish yesterday, but we -- I mean, we fought hard. We were running around there trying to get it done.

I was tired yesterday and I was tired this morning; still all right. Happy to get it done.

**Q. What's the mindset knowing going against Angel Yin here in the semifinals, potentially more than 18 after that?**

MADELENE SAGSTROM: Now it's just go at the moment. I mean, I would love to play all of them, so just going to have another cup of coffee and get ready again.
