## Moriya Jutanugarn

### Quick Quotes

**Q. Moriya Jutanugarn, a 6-under 65 on moving day at the Kingsmill Resort. Take us through it. You had a great day. You're tied for the lead after 54 holes and you'll be in the final pairing tomorrow.**

MORIYA JUTANUGARN: Well, I mean, it's great. It's always great to come back, of course. It's pretty -- one of the day I had make a little bit more putts and the game is in pretty good shape.

**Q. You had a bogey-free front nine; started off with a birdie, started off on the right foot, and then eagled No. 7. Take us through the eagle on 7 and how you played the hole.**

MORIYA JUTANUGARN: I mean, I guess I hit a pretty good drive and just hybrid on the greens and make putt.

**Q. Yeah. What did you hit or how far out were you on your second shot?**

MORIYA JUTANUGARN: It was like 2 -- I think it's 218 or something like that, yeah.

**Q. Okay. Good number. And then you had four additional birdies on the back nine. Just closing the way you did with four birdies on the back nine, closing strong, how good of momentum does that provide for tomorrow?**

MORIYA JUTANUGARN: Well, I mean, of course, I mean, you know, seeing ball go into the holes and, you know, feeling good with like swing is good, but, I mean, tomorrow is going to be new days and you don't know what's going to happen.

I'm just trying to, you know, like doing what I'm like -- just keep working on what I'm doing and just go out and have fun, and hopefully it's going to be a good day.

**Q. You were a late entry into this field. When did you decide, Hey, I'm going to play Pure Silk?**

MORIYA JUTANUGARN: No, it was just making -- like my assistant making a mistake. Like I was supposed to be in the field anyway, I planning to play, but just like a late entry. So I happen to be fourth alternate and then move up to first alternate and I just got in on Monday.

**Q. There is a lot of individuals looking for their first win near the top of the leaderboard, a lot of players who haven't won out here who are looking to secure that first win. You've won out here. How can you use your experience tomorrow to maybe help provide a little boost?**

MORIYA JUTANUGARN: I just feels like every time is always going to be different. You know, like you're going to always learn from whatever that week. I don't know. I mean, it just -- I only -- it's just like another week. That's what I feel like. You just have to enjoy every moment.

When you got to that situation then you probably going to figure it out how to handle it.

**Q. What have you learned about yourself this week?**

MORIYA JUTANUGARN: I mean, this week it's just a week of like I was not in the tournament and then happen to like, Okay, I'm going to play the tournament now. For me this week is just like working on my commitment and like working on my like trust, you know, like with putting, with swing, and stuff like that.

So I just want to kind of like do one shot at a time and just have fun.

**Q. Sister's won here a couple time. Has she given you any tips or anything along the way?**

MORIYA JUTANUGARN: Not really. We don't really talk about golf really like outside the golf course. You know, like just having her this week, it's like already a good support.
