## In Gee Chun

### Quick Quotes

**Q. In Gee Chun, 1-over today in round two of the Volunteers of America Classic. 1.66 inches of rain the course took this morning. How much different did it play, and a little longer and more challenging than yesterday?**

IN GEE CHUN: Yeah, we got six hours delay this morning, so it was a little tough make a good focus on the course, but I'm trying my best.

But I play like 1-over par today, but still we have two more days so I want to looking for weekend, yeah.

**Q. What did you do during the six hours to maybe enjoy some of the down time but also try and stay focused?**

IN GEE CHUN: First two hours I got sleep in the car. Then after that we got to like update like every 30 minutes, so it was tough to do something.

So just keep waiting, keep waiting. Yeah.

**Q. So you were at the course the whole time?**

IN GEE CHUN: Yeah.

**Q. You braved it out. And then just how thankful are you to have gotten your second round in and you don't have to come back early tomorrow to finish it and you can rejuvenate ahead of the third round tomorrow afternoon?**

IN GEE CHUN: I was really happy to finish today and then I can have like good dinner at my house, so I really want to go back my house. But sometimes when we play like in the morning after it rain we got like opposite wind, so we got a lot like (indiscernible) wind on par-5s, so I couldn't make like try to get on the green.

But sometimes like in the morning play like left some hole better, so it all depends. But first thing I'm really happy to
