### Quick Quotes

**Q. So that ties the 18-hole scoring record for the LPGA MEDIHEAL Championship. I bet you didn't know that.**

JODI EWART SHADOFF: Oh, wow. I did not know that.

**Q. What went into that run on the back nine, six of your last eight holes you birdied.**

JODI EWART SHADOFF: Yeah, I just kind of got into the flow of things and putts were dropping, which they haven't been all week, so it was nice to see.

I was hitting some really good iron shots, so that's helpful.

**Q. You hit 18 greens today. I would imagine on a course like Lake Merced that's...**

JODI EWART SHADOFF: Yeah, I mean, you know, it's a tough golf course. If you're a good ball-striker you're going to play pretty decent out here. Yeah, I had a really good ball striking day.

Yeah, as I said, the putts just were dropping today.

**Q. And you had a new face on the bag.**

JODI EWART SHADOFF: Yeah.

**Q. Where you did you meet and what is his name?**

JODI EWART SHADOFF: This is Bill. He's just on the bag for the week. He's on the PGA TOUR, so...

He lives in the area, so it worked out really well. We got on really great and he really helped me all week.

**Q. Who does he working with on the PGA?**

JODI EWART SHADOFF: Min Woo Lee, Minjee's brother.

**Q. Look at that.**

JODI EWART SHADOFF: Yeah.

**Q. That's pretty cool. Playing Meijer?**

JODI EWART SHADOFF: I am.

**Q. What's the biggest thing when you go across the country back to adjust to that?**

JODI EWART SHADOFF: Yeah, you know, I was fine for the whole three hour thing going to the east coast, kind of difficult, but I have an early flight in the morning so that should help.

Just going to take the next two days and just kind of rest. On my third week in a row and coming back from injury and stuff, so just want to kind of take it easy.

**Q. How is the injury been feeling?**

JODI EWART SHADOFF: Yeah, it's going much better, feeling much better. Last couple weeks have been really good, so...

**Q. Was it back again?**

JODI EWART SHADOFF: Yeah, yep.
