### Quick Quotes

**Q. Okay, here with Nanna after her second round at the Meijer LPGA Classic. Walk us through the 18 holes. Looks like a bit of a rollercoaster out there today.**

NANNA KOERSTZ-MADSEN: Yeah, tough start, but then from there on had a lot of birdies and that was good.

**Q. And you started with a double and holes 4 through 13, a lot of birdies in that stretch. What happened? Did you find something in your game there?**

NANNA KOERSTZ-MADSEN: Well, on the first hole I hit a perfect drive. I just, yeah, did some bad things around the green; a little unlucky, too.

Yeah, game was still solid, so I just stayed in it and believed I could hit the good shots. I made a couple really good putts, so, yeah.

**Q. And then heading into tomorrow, going to be up somewhere near the top of the leaderboard. How does it feel going into the weekend with a chance to compete for a championship?**

NANNA KOERSTZ-MADSEN: It's always nice. That's where you want to be. I'll just try and stick to the game plan and see if I can hit some more fairways.

**Q. Carly told me that one of your good friends had a baby. How cool is that to see?**

NANNA KOERSTZ-MADSEN: It's really cool. We were just on the phone with her just before the pro-am the other day, her and Casper. He's so cute. I'm really excited to see him in a little over a week.

**Q. You see him in a week?**

NANNA KOERSTZ-MADSEN: Yeah, I'll go back to Denmark and see him -- so I'll see her and him, all of them.

**Q. Heading into next week, obviously a big week with**

**KPMG. What does a couple rounds like this give you going into that week?**

NANNA KOERSTZ-MADSEN: It gives me confidence. I haven't played my best last two months, so it's great to see some good scores out there, some good swings, and definitely better putting, which you want next week.

Yeah, a little bit more confident before going into next week. It's nice.
