

Meijer LPGA Classic

Sunday, June 15, 2025

Grand Rapids, Michigan, USA

Blythefield Country Club

Lexi Thompson

TV

Q. With Lexi. Pleasure following again today. So close again here at Meijer. Lots of positives to take from this week going into the major next week. What do you personally take from this?

LEXI THOMPSON: Yeah, for sure. That I had a good finish. Not the finish I wanted coming down the stretch there, but coming into the week I wasn't playing great golf and kind of latched onto something that got me through the week and tried to stay positive with that.

I had my bad shots out there that showed its face, but just happy how I stayed patient and positive out there and pushed through the week and just really enjoy being out here once again.

Q. Today is Father's Day. Your dad is back home in Florida recovering from back surgery. Is there a message you want to send to him and to your family?

LEXI THOMPSON: Just everybody back at home that I love them so much. I wish they were here. This is always a special tournament. I know they're cheering from the TV.

And to my dad and all the dad's out there, happy Father's Day and I love you dad.

Q. How special is it playing here at Meijer for you?

LEXI THOMPSON: It just really is. It's my favorite event on the schedule. Fans are amazing and come out and support women's golf and that's what we want. Just the hospitality that all us women receive this week is top notch, and I think a lot of the tournaments should be like this because the fans are incredible.
