

Meijer LPGA Classic

Sunday, June 15, 2025

Grand Rapids, Michigan, USA

Blythefield Country Club

Nanna Koerstz Madsen

Quick Quotes

Q. All right, here with Nanna after the final round at the Meijer LPGA Classic for Simply Give. Today could have went any way for anybody. A lot of moving parts out there. How did you stay focused through that and focus on your own game?

NANNA KOERSTZ MADSEN: I mean, yeah, yesterday you saw some people came out really hot and then you saw a lot of people just like got closer together on the back nine so you knew a lot of things could happen.

Yeah, it was just important to just try and stick to your own game.

Q. Played well all week. Under par rounds each day. What kind of confidence does that give you going into a major championship next week?

NANNA KOERSTZ MADSEN: It gives me a lot of confidence. I've been really solid from tee-to-green. Putting was better beginning of the week. Struggled very much the last two days.

But, yeah, hopefully I can figure that out the next couple days and then I think next week could be good.

Q. Talk about the ball striking this week. Greens in regulation you're in the Top 5. Was that something heading into this week you've been working on or did things fall into place at the right time?

NANNA KOERSTZ MADSEN: It's been a process for the last one and a half years. Changed my coach. Yeah, one and a half years ago. We been doing some really good work.

Trying to stay more to the same focus areas, so, yeah, it's just more consistent with the swing.

Q. Here in Grand Rapids community, great turnout every year. How great is it to see the tournament growing and all the fans each year?

NANNA KOERSTZ MADSEN: It's cool. A lot of people out there playing with Lexi today. No, it was really good atmosphere out there and it was fun to play for.

Q. What's the toughest part of this course for you?

NANNA KOERSTZ MADSEN: This year the greens were really firm. I mean, it's hard to hit a lot of fairways out here, but you are able to chase them up on a lot of the greens. So if you hit the fairways you have a really good chance, but then because the greens are really firm or you miss the fairway, it's just tricky.

Yeah.
