Quick Quotes

Q. We'll start with you, Haeji. Just take us through how good it felt to perform the way you did this week with Amy.

HAEJI KANG: I felt very comfortable out there playing with my friend, my best friend Amy. We just felt like we were just having a casual round of golf, and I think because we had so much fun, I think we could play well.

Q. Amy, to put together an 8-under round today and cap off the tournament -- I assume you're both playing Evian next week, some good momentum?

AMY YANG: Yeah, it's good momentum. This week we had so much fun. Different kind of golf out there, but we both played so solid this week, and I think it's going to give us good confidence for next week.
