interesting.

For me I think I'm going to work on trying to make more birdies and hopefully contribute more to my team next time.

**Q. Solo third; perhaps not where you wanted to finish at the beginning of the day, but what are your takeaways for the week?**

ADITI ASHOK: I think for me it was not the best day for me. I think today I played the worst of the four days, but she played really well and she carried the team today. It was a good week so far.

PAJAREE ANANNARUKARN: I think the conditions is a little tougher than the first three days, but I think it just -- we fought to the end, and I think that's what we really focusing on is just kind of go out there and supporting each other, like I said.

**Q. Do you think this gives you some confidence and propels you to have a better rest of the year?**

PAJAREE ANANNARUKARN: Definitely.

ADITI ASHOK: Yeah, for sure, definitely, because I haven't had the best few weeks, so this week was really good, to get a good finish and know that the game is kind of there. Maybe not all four days, but three out of four days is pretty good compared to the last few weeks.

PAJAREE ANANNARUKARN: Mine, too. I think I've been hitting it well and just didn't make a lot of putts out there, but I think just try to stay patient and keep it going.

**Q. What do you like about the format now that it's over with and you look back on it?**

ADITI ASHOK: Yeah, it's a great format. I think alternate-shot and four-ball is kind of two totally different games. One is like a shootout, everyone is trying to make birdie on every hole, and one is really strategic where you kind of have to make par on every hole because people drop shots a lot in alternate shot. But yeah, it's really
