NANNA KOERSTZ MADSEN:

NICOLE BROCH ESTRUP: .

THE MODERATOR: Here with Nicole and Nanna after their second round of the Dow Championship. 60 today. Talk a little bit about how you guys bounced off each other a little bit.

NANNA KOERSTZ MADSEN: It was a lot of fun. It was really fun playing with Nicole. We were really good at contributing to different holes. It was really fun.

NICOLE BROCH ESTRUP: We just had a good vibe going. Nanna holed a chip early on on 3, the par-5, to get an eagle, and we just -- apart from No. 2 when Nanna hit it really close, then I made like a 10-footer for birdie, and she was like, oh, we shouldn't do this, we shouldn't make birdie on the same hole, and I'm like, just chill. From there, we kind of -- yeah, we did really well in not birdieing the same holes. Obviously we had one bogey, which was not ideal, but --

NANNA KOERSTZ MADSEN: We held our head very high.

NICOLE BROCH ESTRUP: We came back strong with two birdies.

**Q. Best round of the day so far, in case you didn't know. How do you think you guys -- was there any moment today where you're like, wow, I'm having so much fun, just seeing each other, talking to each other? I know you're playing your own ball, but was there any moment today that you're like, this is --**

NANNA KOERSTZ MADSEN: I just really like how you can take pressure off each other, so it's a lot more fun hitting all the shots out there because you're not -- there's not a lot of anxiety out there. Then just high fiving and stuff, it's just a really good vibe out there, and it's a lot of

fun.

We always play by ourselves. It's an individual sport. So it's just fun being a team. Also with the caddies, it's kind of a foursome.

NICOLE BROCH ESTRUP: We've known each other since we were probably 13, 14, so to get to do this together, I think it's just -- we know each other so well, so it makes it even more fun.

**Q. What's it been like, too, watching each other grow up through golf? I'm sure you have plenty of stories.**

NANNA KOERSTZ MADSEN: It's been fun. We've been on the same path. Like we went on the LET together. Nicole started a year ahead of me. Then Nicole got to the LPGA a year ahead of me.

We've just been following each other all the time. It's been kind of sad the last year and a half, Nicole has been playing more on LET, but I always love when we meet at tournaments, and it's a lot of fun. We always stay together. It's nice.

**Q. What are you guys looking forward to most about the weekend, kind of going back to foursomes format and seeing what you can do out there?**

NICOLE BROCH ESTRUP: To hear our team song tomorrow.

NANNA KOERSTZ MADSEN: Yeah, that'll be fun.

NICOLE BROCH ESTRUP: No, obviously tomorrow is like another day again. Like you're playing alternate shot again, so that'll be completely different golf from today.

But I feel like, as we said yesterday, our game is really similar, so yeah, tomorrow is one of those days where you just -- not just, but if you can have like even par, a couple under, then obviously we have a lot of birdies in us, so yeah, exciting for Sunday probably.

NANNA KOERSTZ MADSEN: I like the alternate shot. It's

very relaxing. You just have to hit every second shot.
