CHELLA CHOI: I really enjoy it because she play so good and she know how going, so yesterday I follow her, the tee shot. Her short game is really good so I enjoy watching her play. She trying to Q-school this year, so I give a lot of luck to her.

**on the LPGA Tour, how important is that to give you confidence going into the weekend knowing that you have won before?**

CHELLA CHOI: That win is seven years ago, but I really like -- not too much I feel like. I know how do I win. Right now I really very excited to play and I work with my dad, he's come back, and my shot and my putting is really good, so I trying to make just confidence in myself, yeah.
