ISPS HANDA World Invitational

Sunday, August 1, 2021 Northern Ireland Galgorm Castle & Massereene Golf Club

Jennifer Kupcho

Quick Quotes

Q. Do you feel that this was a moment that is going to make you come back even stronger and harder next week, the week after that?

JENNIFER KUPCHO: Yeah, I think so. I mean, I've had it happen before in college. I choked at nationals one year and then the next year came back and won, so I think it's just all part of building and learning from every experience.
