#### **Q. Tell us about the putt on 13.**

DANIEL GAVINS: Yeah, it was a pretty straight putt, I think. I got the pace spot on -- I've had the pace spot on all day, and yeah, just went in from 65 feet. I mean, it was pretty lucky.

#### **Q. This journey you've been on, Euro Pro Tour, Q-school, Challenge Tour. It takes its time, but when it gets here how much do you appreciate what you've just done?**

DANIEL GAVINS: Yeah, it's amazing that every week on the European Tour is just a place you want to be. So yes, I'm just fortunate to be on it and just playing golf.

#### **Q. And there's been a bit of form coming in, hasn't there, the last couple weeks. Did you feel good coming into the week?**

DANIEL GAVINS: Yeah, I think I've had two top 10s in the last two weeks on Challenge Tour, so I said I was going to have a week off this week. It's a good job I didn't. Yeah, I'm really glad I played.

#### **Q. You've been watching TV for the last 20 minutes --**

DANIEL GAVINS: I've been hiding in the clubhouse.

#### **Q. It was tough, wasn't it, watching that.**

DANIEL GAVINS: Yeah, there was still four holes left. To wait there for 45 minutes or so, it was painful, yeah.

#### **Q. You don't wish anyone ill, but it's great that you won. Tell us what it means to you to be the champion this week.**

DANIEL GAVINS: I still can't believe it. I'm just waiting to wake up, I think, but it just feels amazing.
