Quick Quotes

Q. Jack, welcome back to Galgorm Castle, scene of your triumph in 2019. How nice to be back at this venue?

JACK SENIOR: Yeah, it's always good to come back to somewhere you obviously won. Just get good vibes as soon as you arrive here really.

Q. Obviously we know this is a great test. It's somewhere you've played a bit over the years on the Challenge Tour as well. What type of game does it take to play well round here?

JACK SENIOR: I think you just got to drive the golf ball really well. I think that's the key.

If you get the ball in play off the tee it's going to give you a lot of chances.

Q. Obviously, as we mentioned, you won the first sort of mixed event here in 2019. How important are these types of unique formats for the game of golf?

JACK SENIOR: Yeah, I think it's great. Obviously great that we had the Scandinavian Mixed this year as well, which I played in. This is slightly different being two tournaments.

Yeah, it's great to have both and women playing on the same venues at the same tournaments.

Q. Can you pick up certain things from the women when you watch them play?

JACK SENIOR: Yeah, I think sometimes, yeah, definitely. I think the majority of the women are far better putters at times. I played with a couple of the women in the Scandinavian Mixed and I think they probably missed three or four fairways between them.

They've certainly got some game.

Q. Obviously you made the last three cuts on tour. What's the thoughts heading into this week? Is it a case of feeding those good vibes from 2019 when you're going round that will elevate your game this week?

JACK SENIOR: Yeah, I think so. Obviously I've had some really, really good weeks this year and just not quite -- just not quite happened on a weekend for me.

Seem to have had four or five tournaments where I've had three really good rounds and one really poor round. Obviously I've got to try and address that the best I can.

There is no place better than here to maybe address it.

Q. Fingers crossed you can do that.

JACK SENIOR: Thank you, cheers.
