## Renato Paratore

### Quick Quotes

**Q. Great finish last week. Really good result for you. How pleased are you to bring that momentum into this event this week?**

RENATO PARATORE: Yeah, last week was really good. I play solid, good short game, so today I went on the course in good shape.

The second nine I made some good putts that keep me under par and I finish with two birdies.

**Q. I think you had three birdies in the last five holes. What happened there? Did something click?**

RENATO PARATORE: Yeah, I think I save a really good bogey on 13, and from then I made birdie after the hole, and so from there I think changed the momentum and I made two birdies. So that moment was the key.

**Q. After the result last week, how did you feel when you came here? Did you feel pressure to keep that going? Were you just really pleased to get a solid week?**

RENATO PARATORE: Honestly, I was just really, really happy. Was long time I didn't play that well, so just enjoyed the moment, the way I played.

**Q. And what particularly worked with your game out there today?**

RENATO PARATORE: I think more or less everything, but I think maybe the chip and putt was better. Irons, so-so, average.

So I think some up and downs helped me for a 3-under.
