### Quick Quotes

**Q. Georgia, round of 5-under to be at the top the leaderboard, with many, many other people, including your playing partner. How did you find the conditions out there?**

GEORGIA HALL: Yeah, pretty easy, to be honest. Pins were in good spots and the weather was really good, so managed to take advantage of some holes and play okay today, yeah.

**Q. What do you think the strongest part of your game was?**

GEORGIA HALL: Putting was pretty good I would say. Couple little things to work on. I felt I could have got quite a bit more under than that.

I felt I played fairly average, to be honest, because there are a lot of chances out there today.

**Q. And you're in the rough a couple times. I spoke to a few people this morning who said the rough was dewy and thick. Had it dried out or was it still the same?**

GEORGIA HALL: It's still pretty thick, to be honest. I was pretty shocked at how thick the rough was. Definitely try and hit the fairway tomorrow.

**Q. Heading to Massareene, how do you prepare for playing a different course?**

GEORGIA HALL: Just got to see how the greens react really. Haven't played there in a few days, only played front nine.

So just be patient, and that could be the trickier course, so see how it goes.

**Q. I think from what I've heard between the two courses today, that's the cooler course in terms of**

**temperature. Hopefully you'll be able to benefit from a little bit cooler weather tomorrow.**

GEORGIA HALL: Yeah, to be honest here is don't get hot really, I mean like really hot. I'm used to like Thailand, so this is fine for me.

**Q. How does it feel to be back at the top of the leaderboard?**

GEORGIA HALL: Yeah, I mean, great. Lots of golf left to be played, but obviously a solid start and hopefully carry that into tomorrow.
