## Allisen Corpuz

### Quick Quotes

**Q. Great round of 67 out there at Galgorm. How did you find it today?**

ALLISEN CORPUZ: I mean, everything just went really well today. Been kind of struggling with the putter and it felt like I just made a lot of putts today. Just been hitting the ball really solid.

And I think this course is a little more gettable on the par-5s. I was able to take advantage of that today.

**Q. And you got off to a really hot start. Talk me through those opening few holes.**

ALLISEN CORPUZ: Yeah, I mean, 1 is a reachable five, so got it on the green; two-putt for birdie.

2 is a shorter par-4. Had a little wedge in and was able to hit a good shot there as well and make the putt.

And then 3 was just off the green on my second shot off the right, and got pretty lucky to get one in from the fringe.

So, yeah, that was really nice.

**Q. And how have the conditions been? For us it's hot here. How have you found the conditions?**

ALLISEN CORPUZ: Yeah, it's been so beautiful. I mean, blue skies every day. Hoping it stays like this through the weekend.

Yeah, really beautiful. Love the course and excited to get out there for the weekend.

**Q. This is your fifth event in a row that you've done.**

ALLISEN CORPUZ: Yes, it is.

**Q. How are you feeling? Obviously quite a few put together, especially coming across to Europe.**

ALLISEN CORPUZ: Yeah, I mean, I think I really just want to put one more good week up. Maybe not feeling as fresh as I did at the beginning, but still feel pretty good.

**Q. How have you been enjoying your time in the European swing this year?**

ALLISEN CORPUZ: Yeah, I really love it. It's my first time to the UK, or sorry, Scotland and Northern Ireland, and it's just been so beautiful.

We've been really lucky with the weather.

**Q. And heading into the weekend, what's your plan?**

ALLISEN CORPUZ: Really the same thing: Try to make a lot of birdies. Just keep working on the putting, keep hitting good shots.
