Quick Quotes

Q. 5-under 68 to finish, 10-under. How would you assess your week?

LEONA MAGUIRE: Yeah, overall it's been pretty good. Yesterday obviously was a little bit disappointed but nice to finish with a good round today.

Q. Back-to-back birdies to finish, as well, which I'm sure makes the scorecard look a lot nicer.

LEONA MAGUIRE: Yeah, absolutely. I didn't really have any "A" game this week, so squeezed a bit out of it in the end and always nice to finish with a good round on Sunday.

Q. Sitting just outside the top 10 and you had your "B" game all week, that's going to say a lot about what you can produce if you have your "A" game going forward?

LEONA MAGUIRE: Yeah, I mean, I think last week took a lot out of me. I was probably a bit tired coming into this week and not ideal prep with the two courses and not a lot of rest. Stayed relatively patient. Let yesterday get away from me, got a bit frustrated yesterday, but yeah, overall it's a solid week.

Q. Looking forward with the schedule, looking forward towards the Playoffs, what does the next few weeks look like for you?

LEONA MAGUIRE: Two weeks off now and then we'll go back and do three in a row in the States, and then we'll just kind of wait and see what happens with Asia and stuff like that. Yeah, finish the season strong in Florida.

Q. You're still sitting pretty good in the standings. Big finish to the season you could position yourself really well for the Playoffs.

LEONA MAGUIRE: Yeah, I mean, every tournament

helps. I think we've still got eight, nine tournaments left, so still a lot of golf to be played. Just keep building for the rest of the year.

Q. Looking forward to a bit of downtime at home I imagine?

LEONA MAGUIRE: Yeah, these last few weeks have been pretty busy, so yeah, two weeks off I think is needed. Unfortunately I don't think the weather is going to be as nice as it was this week, but we'll still try to make the most of it.

Q. Will you put the clubs away or are you going to be practicing?

LEONA MAGUIRE: I'll keep ticking away. I don't think in the middle of the season you can really put them away, but take it easy for a few days and then sort of gear back up again sort of later in the week.

Q. Is it just you need a bit of a break after a long --

LEONA MAGUIRE: Yeah, I think most of my errors this week more mental errors more than anything else. I just wasn't probably as sharp as I was last week. A little bit of fine tuning but nothing major.
