## Karis Davidson

### Quick Quotes

**Q. All right, Karis, take us through your round today. What were some of the highlight birdies? Can you describe any of them?**

KARIS DAVIDSON: Well, it's hard to remember. The back nine was quite windy so it was just grinding away.

Front nine holed a couple long putts, which was nice, and obviously teeing up off we got a little bit fortunate that the wind wasn't too strong.

And the birdie on 17 was really good as well; reachable par-5 in two.

**Q. Can you take us through some of the shots on that last birdie of your day?**

KARIS DAVIDSON: Well, it was downwind and in the practice round it was into the wind, so in the practice round we were hitting 3-wood and today I was hitting 8-iron, so it was quite different.

And then just hit it left of the green and made a two-putt.

**Q. So for the rest of the week we'll be transitioning to Galgorm. How will that be different for you?**

KARIS DAVIDSON: Galgorm is playing really soft so you can definitely be a little bit more aggressive at pins. And the greens are a little bit quicker, so it's quite a different golf course.

I'm looking forward to the challenge.

**Q. You said your putting was a really big strength for you today. Have you been working on anything in your putting lately?**

KARIS DAVIDSON: Yeah, working on my aiming. I was struggling a little bit, missing putts on the left, so I'm still working on that. Trying to get my starting point online.

**Q. Seeing your name at the top of the leaderboard has to be gratifying after one day. How much momentum does that give you going into the rest of the week?**

KARIS DAVIDSON: I'm just going to try and keep doing my own game and try not to think about that too much. But it is nice to see it up there for a change.
