Quick Quotes

Q. All right are here with Esther Henseleit. Take me through your round today, maybe the changes you made from today and yesterday.

ESTHER HENSELEIT: I mean, not many changes. I guess the golf course is very different. Out here it's much firmer.

But it was windy yesterday as well, so you need some low shots and just hit fairways, hit greens, and make your putts.

I hit it into like a pot bunker twice today; made bogey both times. So I guess that's the medicine you have to take on a links golf course. Other than that, I played really solid.

Q. You had a pretty successful round on Galgorm yesterday. How much confidence did that give you coming into today and does it give you going into the weekend?

ESTHER HENSELEIT: Yeah, I'm really confident at the moment on the golf course. I'm rolling some putts in, so that's nice to see.

And, yeah, I feel good. Yesterday was good as well. Just one little bad shot that cost me coming in.

Yeah, really solid both days.

Q. What are you looking to take into the weekend from your rounds today and yesterday?

ESTHER HENSELEIT: I mean, just keep grinding in the wind really. Don't make any stupid mistakes. Just play your pars. Some putts might go in and you get some birdies, but, yeah, just keep it in play in the wind.
