2024

**Q. Your match was a tight one throughout most of the day. Really seemed to turn, though, kind of on the back nine. What do you think changed?**

**ROSE ZHANG:** I don't think anything changed. We had so much fun together. On every single shot, we've been laughing. We've been laughing with our caddies. Terry and Ollie are just a killer duo together.

We just had so much fun. You know, we had some clutch putts coming in, so that really kept the momentum.

**Q. Lauren, your first ever match in a Solheim Cup as a rookie. How would you describe the experience?**

**LAUREN COUGHLIN:** Yeah, incredible. I mean, look at the fans, 14 was quite a scene. It was pretty special. Yeah, it's been amazing. We had so much fun out there. We played great.

**Q. You're both heading back out this afternoon. How do you regroup and get ready to keep this momentum going?**

**ROSE ZHANG:** It's the same thing. I think everything comes down to routine and making sure we stay as present as possible. We'll go back and eat a little bit and then we'll go back out this afternoon.
