Q. Another perfect match in foursomes. You came from two back. What did you say to each other to battle back into this match?

ALLISEN CORPUZ: Honestly Nelly was playing really solid all day. I hit a few squirrely ones and she saved me there. I feel like every single time you play with Nelly it's kind of like, hey, it's going to turn around at some point, just be patient and keep playing and keep playing the way that we have.

Q. You two took the lead in match for the first time on 14; a combination of interesting shots there. Take us through what happened.

NELLY KORDA: I told her that could be the top 3 best shots I've ever seen in my entire life. It's great playing with Allisen. I have so much fun with her and she's so solid.

She said that I played great today, but she did, as well, and we make a really good team, and it's so much fun playing out here with her this week.

Q. I've never seen you react the way you have in this Solheim Cup. What has changed?

NELLY KORDA: My alterego Norry.

Q. Who is Norry?

NELLY KORDA: I got announced on the opening ceremony as Norry, so we went with it as kind of a joke. It's been such a fun week.
