2024

**Q. Alongside Stacy Lewis. It's getting loud on this first tee. There's a sea of blue on that board this morning, but your team battled back. What was the atmosphere like ahead of the afternoon matches?**

**STACY LEWIS:** You can see it. That finish got us some momentum back. Even the back nine, even the points we didn't win, just to take them down the stretch there on 18, it builds the momentum with the crowds as they get bigger this afternoon.

**Q. Given what you saw this morning, how did that impact the pairings you're sending out in this afternoon's session?**

**STACY LEWIS:** It was set last night, and what we saw this morning just confirmed what we were going to do. They're ready to go.
