Q. Nelly, this is your fourth Solheim Cup but first win. How different is the feeling walking off the 18th green now?

NELLY KORDA: Definitely a lot happier and a lot more laughter and a lot more yelling. It's been such an amazing week. We all bonded really well. It's been so much fun from the get-go with the caddies, with the players. Honestly a dream week.

Q. Last year there was five rookies on the team. Kind of a new change in the guard on the USA team. How did they come together and have chemistry this week?

NELLY KORDA: As I said, everyone just bonded really well, with the caddies. It's been such an incredible week, and to have Brit, Paula, Morgan, Angela, and obviously Stacy leading the way for us, it's been a dream come true, and we're happy to do it for them.
