BMW Ladies Championship

THE MODERATOR: Here with Hye-Jin Choi. Another solid week in front of your country, your country people. Just evaluate your week.

HYE-JIN CHOI: I think I'm most satisfied with how I played here today taking into consideration recent events that I had.

And it was really fun to play in front of Koreans and in front of my fans. So it was an especially enjoyable week.

Q. What's it like to be able to play in front of your fan club? I saw them. They seem like a rowdy bunch.

HYE-JIN CHOI: I think the crowd was bigger for our group because I was also playing with Hyo Joo. And the last time I played, we didn't have any galleries, we didn't have any spectators, so it felt like we were back to three years ago when we had a large crowd.

Q. Just finally, played so solid today. What's the kind of confidence with three events left? I know you had some ground to make up in the rookie of the year race. How much confidence do you have going into the next round?

HYE-JIN CHOI: So recently when I was playing, I couldn't get a feel for my game, but now doing it well here when I was doing well, I could really feel it.

So I'm really satisfied with this week, and hopefully I can carry it over to the remaining three events.
